Section 14835, et seq., of the California Government Code requires that a five percent (5%) preference be given to Bidders who qualify as a small business. The rules and regulations of this law, including the definition of a small business for the delivery of service, are contained in Title 2, California Code of Regulations, and Section 1896, et seq. A copy of the regulations is available upon request.

To claim the small business preference, which may not exceed $50,000.00 for any proposal, Bidder’s company must have its principal place of business located in California and have a complete application (including proof of annual receipts) on file with the State Office of Small Business & Disabled Veteran Business Enterprise (OSDS). Questions regarding the preference approval process should be directed to the OSDS, 707 Third Street, 1st Floor, West Sacramento, CA 95605, (916) 375-4940.

If Bidder is claiming the five percent (5%) small business preference, a copy of the OSDS Small Business Certification must be submitted with the proposal (see Part VII – Mandatory Format and Content Requirements, Paragraph B).

Non-small business Bidders may be granted a five percent (5%) non-small business subcontractor preference on a bid evaluation when a responsible non-small business Bidder includes notification that it commits to subcontract at least twenty-five percent (25%) of its net bid price with one or more small businesses. Bidder must submit a list of the small businesses it commits to subcontract with for a commercially useful function in the performance of the contract. The list of subcontractors shall include the subcontractor’s name, address, phone number, description of work to be performed, dollar amount and percentage for each subcontractor.
Small business preference qualification information must be included in all bid documents. This must include procedures for claiming small business preference, micro-business preference and non-small business contractor/small business subcontractor preference processes. Note: A non-small business, which qualifies for this preference, may not take an award away from a certified small business.

I. INSURANCE
The Bidder awarded the contract shall provide a signed, original Certificate of Insurance in the minimum amounts of commercial general liability coverage and automobile liability insurance per occurrence for bodily injury and property damage liability combined, as outlined in Part VIII – Forms, Exhibit E – Insurance Requirements. The Certificate of Insurance shall be furnished to the District fifteen (15) days prior to contract start date. The certificate must include the following, unless the Bidder is on the Division’s or CFSA’s Master Insurance Certificate List:

- Evidence of authorized insurance for the term of the contract, which includes setup and teardown;
- A 30-day cancellation notice;
- The District’s name and address shown as the certificate holder; and

K. SIGNATURE
The Proposal Forms and all Documents must be signed with the firm’s name as indicated. A proposal by a corporation must be signed by a duly authorized officer, employee or agent.

L. PRE-AWARD AUDIT
Prior to contract award, the selected Bidder may be required to undergo an audit of their proposed costs and prices. The District will conduct the audit for the purpose of determining whether the Bidder’s prices are fair and reasonable.

M. SINGLE PROPOSAL RESPONSE
If only one responsive proposal is received in response to this IFB and it is found by the District to be acceptable, additional detailed costs or financial data may be requested of the single Bidder. A cost or financial analysis, possibly including an audit, may be performed by or for the District in order to determine if the proposal is fair and reasonable. The Bidder has agreed to such analysis by submitting a proposal in response to this IFB.

A cost analysis is a more detailed evaluation of the cost elements in the Bidder’s Financial Proposal Bid Form. It is conducted to form an opinion as to the degree to which the proposed costs represent what the Bidder’s performance should cost. A cost analysis is generally conducted to determine whether the Bidder is applying sound management in proposing the application of resources to the operation effort, and whether costs are allowable, allocable and reasonable.
Any such analyses and the result there from shall not obligate the District to accept such a single proposal and the District may reject such proposal at its sole and exclusive discretion.

N. NON-ASSIGNMENT
Any attempt by Contractor to assign, subcontract or transfer all or part of this agreement shall be void and unenforceable without the District’s prior written consent; which consent shall not be unreasonably withheld. Any such consent shall not relieve Contractor from full and direct responsibility for all services performed prior to the date of assigning, subcontracting or transferring this agreement.

O. LOSS LEADER
It is unlawful for any person engaged in business within this state to sell or use any article or product as a “loss leader” as defined in Section 17030 of the Business and Professions Code.

P. UNANTICIPATED TASKS, TIME OR DELIVERABLES
In the event unanticipated deliverables, additional time or additional work must be performed that is not identified in this IFB, but in the District’s opinion is necessary to successfully accomplish the statement of work or technical specifications, the District may initiate a contract amendment to add time, deliverables or tasks. Unless otherwise indicated, all stipulated terms and conditions appearing in the resulting contract including fixed costs, unit pricing, expenses or rate will apply to any additional work.

Q. POST AWARD DISPUTES
A. If a post award dispute between the Department and a Contractor arises, the Department shall deal in good faith and attempt to resolve disputes informally.
B. Contractor should state the dispute in writing, including all facts of the dispute, and submit it to the Department Supervisor or designee.
C. The Department Supervisor or designee shall review the matter and render a final decision in a timely manner.
D. If the Contractor is not satisfied with the final decision, the matter may be referred to the DGS/PD’s Protest and Dispute Resolution unit for final resolution.

R. EXPATRIATE CORPORATION:
Contractor hereby declares that it is not an expatriate corporation or subsidiary of an expatriate corporation within the meaning of Public Contract Code Section 10286 and 10286.1, and is eligible to contract with the State of California.

S. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:
A. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.
B. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.
C. Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

B. OTHER INFORMATION

1. Dispositions of Proposals

All materials submitted in response to this IFB will become the property of the District. The District will hold the contents of all proposals in confidence until issuance of the Notice of the Proposed Award; once issued and posted, no proposal will be treated as confidential. However, if a bidder maintains that certain information is proprietary, all proprietary or other legally protected materials must be identified at the time of submitting the proposal to retain the claim of confidentiality. Bidder acknowledges that all materials submitted in response to the IFB, including proprietary materials, are subject to the California Public Records Act.

A bidder cannot withdraw or modify a proposal after the due date and time for receipt of proposals and, further, a bid cannot be “timed” to expire on a specific date. For example, a statement similar to “This proposal and the cost estimate are valid for 60 days” is non-responsive to the IFB.

8. **Suppliers**
   Nothing contained in the ensuing Agreement or otherwise shall create any contractual relation between the District and any suppliers.

   The Contractor agrees to be as fully responsible to the District for the acts and omissions of its suppliers and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor’s obligation to pay its suppliers is an independent obligation from the District’s obligation to make payments to the Contractor. As a result, the District shall have no obligation to pay or to enforce the payment of any monies to any supplier.

9. **Travel, Transportation and Accommodations**
   Contractor is responsible for all necessary travel, fuel, transportation and housing accommodations.

10. **Invoices**

    All invoices must contain Contractor’s invoice number, District-issued Purchase Order (PO) number, detailed work logs and hours by Service Type for the labor required to fulfill these services.

    Contractor shall send invoices and any supporting documentation via email to AP@ocfair.com (the District’s preferred mechanism) or mail to OC Fair & Event Center, Attn: Accounts Payable, 88 Fair Drive, Costa Mesa, CA 92626.

    Upon contract award and throughout the duration of the contract, Contractor shall work with the District to ensure invoicing needs are continually met.

11. **Payment**
    Payments to the Contractor will be made by the 32nd District Agricultural Association and paid in full within 30 days upon satisfactory completion of each event and receipt of proper invoice.

12. **Pricing/Financial Proposal Bid Form**
    The Financial Proposal Bid Form will be used to develop the “not to exceed” amount of the contract. The estimated quantities provided are based upon historical experience and anticipated future needs, and may change depending upon actual needs/usage. Billing/invoicing will be determined by multiplying actual usage by the Service Type rate as entered on the Financial Proposal Bid Form.

    The District may elect to add a contingency line item to accommodate specifications within the scope of the effort, if approved by the District, during the implementation of this contract.

13. **Megan’s Law Screening**
    All of Contractor’s employees, agents, servants, volunteers, independent contractors and/or employees, agents, servants, volunteers, independent contractors of Contractor’s subcontractors who will be performing job related duties on District premises must pass background checks under “Megan’s Law” as required by the District’s current Megan’s Law policy (and as that policy may be amended by the
District from time to time), and any other reasonable background checks that may be required by the District as a result of policies adopted by the District’s Board of Directors. Contractor will certify in writing that they have conducted the required screening and will indemnify the District for any negligence arising out of or connected with their obligations pertaining to the required screening. Contractor shall not be held liable for the lack of or inaccuracies in reporting made available by the states. A full, true and correct copy of the District’s current Megan’s Law policy is attached (see Part VIII – Forms).

14. **Right to Replace/Dismiss**

Contractor’s onsite personnel are subject to approval of the District during the entire term of contracted services. The District has the right, in accordance with applicable law, to require replacement of Contractor’s onsite personnel or any member of Contractor’s onsite personnel.

If at any time the District determines that any employee, agent or officer of Contractor or of Contractor’s permitted subcontractors, is in violation of District policies regarding harassment, discrimination or offensive behavior or Megan’s Law, or fails to meet the District’s safety and customer service standards, the District may notify Contractor verbally and/or in writing. Contractor will promptly correct the behavior, performance or condition giving rise to the notification described herein to the satisfaction of the District. If Contractor fails to correct the behavior, performance or condition giving rise to the notification described herein, the District may demand that Contractor (or Contractor’s subcontractor, as the case may be) cease using said employee at the District’s facilities and Contractor (or Contractor’s subcontractor, as the case may be) will promptly comply with such request. If the District requests replacement of onsite personnel or any of its members, Contractor must furnish a replacement immediately or as otherwise determined necessary by the District. Nothing contained in this paragraph shall obligate the District to monitor the behavior of Contractor’s employees or of Contractor’s subcontractor’s employees. The District retains the right to review the resumes of all Contractor personnel and confirm compliance to the requirements set forth in this IFB.

15. **Gratuities**

Contractor is prohibited from offering any gift or gratuity to employees and/or officers of the 32nd District Agricultural Association, as employees and officers are not permitted to accept them under any circumstances. Contractor and/or Contractor’s employees shall not solicit or accept any gifts. This includes cash, tickets, food, drinks, merchandise or any other items from District staff, promoters and/or vendors to perform the functions detailed in this agreement. Any violations of this policy may result in the dismissal of the employee and a performance violation notice issued to the Contractor.

16. **Evaluation of Contractor Performance**

Contractor will be evaluated on their performance, including, but not limited to, Contractor’s record of conforming to contract requirements and to standards of good workmanship; Contractor’s record of forecasting and controlling costs; Contractor’s adherence to contract schedules, including the administrative aspects of performance; Contractor’s history of reasonable and cooperative behavior and commitment to customer satisfaction; Contractor’s record of integrity and business ethics, and generally, Contractor’s business-like concern for the interest of the District and its customers.

Contractor shall work with District staff to ensure contract compliance, whether by phone, email or in-person meetings, as determined necessary by the District. The District retains the right to notify Contractor of any performance issues at any time for the duration of the contract term. Notification will be provided in writing to Contractor, whereupon Contractor shall have five (5) days to respond to the District’s request for compliance. Unless mutually agreed upon otherwise, performance issues shall be corrected within fifteen (15) days of District’s notification to Contractor.

Failure to supply equipment and/or personnel as required may result in a notice of default and/or an adjustment to the fees charged for equipment and/or labor.
Contractor may be disqualified from potential bidding opportunities if the District deems Contractor as unresponsive to repeated requests for corrective action.

17. **Non-Exclusive Agreement**

Contractor understands and agrees that this is a non-exclusive agreement. The District may hire other contractors for work of a similar or identical nature.

18. **Termination**

The District reserves the right to terminate any contract without cause at any time by giving the Contractor notice in writing at least thirty (30) days prior to the date when such termination shall become effective. Such termination shall relieve the District of further payment, obligations and/or performances required in the terms of the contract.
