If Bidder is claiming the five percent (5%) small business preference, a copy of the OSDS Small Business Certification must be submitted with the proposal (see Part VII – Mandatory Format and Content Requirements, Paragraph B).

Non-small business Bidders may be granted a five percent (5%) non-small business subcontractor preference on a bid evaluation when a responsible non-small business Bidder includes notification that it commits to subcontract at least twenty-five percent (25%) of its net bid price with one or more small businesses. Bidder must submit a list of the small businesses it commits to subcontract with for a
commercially useful function in the performance of the contract. The list of subcontractors shall include
the subcontractor’s name, address, phone number, description of work to be performed, dollar amount

Small business preference qualification information must be included in all bid documents. This must
include procedures for claiming small business preference, micro-business preference and non-small
business contractor/small business subcontractor preference processes. Note: A non-small business,
which qualifies for this preference, may not take an award away from a certified small business.

I. INSURANCE

The Bidder awarded the contract shall provide a signed, original Certificate of Insurance in the minimum
amounts of commercial general liability coverage and automobile liability insurance per occurrence for
bodily injury and property damage liability combined, as outlined in Part VIII – Forms, Exhibit E –
Insurance Requirements. The Certificate of Insurance shall be furnished to the District fifteen (15) days
prior to contract start date. The certificate must include the following, unless the Bidder is on the
Division’s or CFSA’s Master Insurance Certificate List:

K. SIGNATURE

The Proposal Forms and all Documents must be signed with the firm’s name as indicated. A proposal by a
corporation must be signed by a duly authorized officer, employee or agent.

L. PRE-AWARD AUDIT

Prior to contract award, the selected Bidder may be required to undergo an audit of their proposed costs and
prices. The District will conduct the audit for the purpose of determining whether the Bidder’s prices are fair
and reasonable.

M. SINGLE PROPOSAL RESPONSE

If only one responsive proposal is received in response to this IFB and it is found by the District to be
acceptable, additional detailed costs or financial data may be requested of the single Bidder. A cost or
financial analysis, possibly including an audit, may be performed by or for the District in order to determine if
the proposal is fair and reasonable. The Bidder has agreed to such analysis by submitting a proposal in
response to this IFB.
A cost analysis is a more detailed evaluation of the cost elements in the Bidder's Financial Proposal Bid Form. It is conducted to form an opinion as to the degree to which the proposed costs represent what the Bidder's performance should cost. A cost analysis is generally conducted to determine whether the Bidder is applying sound management in proposing the application of resources to the operation effort, and whether costs are allowable, allocable and reasonable.

Any such analyses and the result there from shall not obligate the District to accept such a single proposal and the District may reject such proposal at its sole and exclusive discretion.

N. NON-ASSIGNMENT

Any attempt by Contractor to assign, subcontract or transfer all or part of this agreement shall be void and unenforceable without the District's prior written consent; which consent shall not be unreasonably withheld. Any such consent shall not relieve Contractor from full and direct responsibility for all services performed prior to the date of assigning, subcontracting or transferring this agreement.

O. LOSS LEADER

It is unlawful for any person engaged in business within this state to sell or use any article or product as a “loss leader” as defined in Section 17030 of the Business and Professions Code.

P. UNANTICIPATED TASKS, TIME OR DELIVERABLES

In the event unanticipated deliverables, additional time or additional work must be performed that is not identified in this IFB, but in the District's opinion is necessary to successfully accomplish the statement of work or technical specifications, the District may initiate a contract amendment to add time, deliverables or tasks. Unless otherwise indicated, all stipulated terms and conditions appearing in the resulting contract including fixed costs, unit pricing, expenses or rate will apply to any additional work.

Q. POST AWARD DISPUTES

A. If a post award dispute between the Department and a Contractor arises, the Department shall deal in good faith and attempt to resolve potential disputes informally.
B. Contractor should state the dispute in writing, including all facts of the dispute, and submit it to the Department Supervisor or designee.
C. The Department Supervisor or designee shall review the matter and render a final decision in a timely manner.
D. If the Contractor is not satisfied with the final decision, the matter may be referred to the DGS/PD’s Protest and Dispute Resolution unit for final resolution.

R. EXPATRIATE CORPORATION:

Contractor hereby declares that it is not an expatriate corporation or subsidiary of an expatriate corporation within the meaning of Public Contract Code Section 10286 and 10286.1, and is eligible to contract with the State of California.

S. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:

A. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.
B. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.
C. Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

4. Definitions

The use of “shall,” “must” or “will” indicates a mandatory requirement or condition in this IFB. Failure to include such mandatory requirements or conditions will result in the disqualification of a proposal.

The words “should” or “may,” indicate a desirable attribute or condition, but are permissive in nature and may affect the score the proposal receives.

- It is received at any time after the exact time and date set for receipt of proposals as stated in Part II – General Information, Paragraphs C and E.
- It is not prepared in accordance with the required format or information is not submitted in the format required by this IFB as listed in Part VII – Mandatory Format and Content Requirements.

A proposal may be rejected if:

(The proposal shall be rejected if, in the opinion of the District, such information was intended to mislead the District in its evaluation of the proposal and the attribute, condition or capability of this IFB.)

6. Right to Reject Any or All Proposals

It is the policy of the District not to solicit proposals unless there is a bona fide intention to award a contract. However, the District may, at its sole and absolute discretion, reject any or all proposals; re-advertise this IFB; postpone or cancel, at any time, this IFB process, or waive any irregularities in this IFB. The decision as to who shall receive a contract award, or whether or not an award shall ever be made as a result of this IFB, shall be at the sole and absolute discretion of the District.

B. OTHER INFORMATION

1. Dispositions of Proposals

   All materials submitted in response to this IFB will become the property of the District. All proposals, evaluation shall be available for public inspection at the conclusion of the process and announcement of intent to award. If an individual requests copies of these documents, the District will assess a fee to cover duplicating costs. Documents may be returned only at the District’s option and at the bidder’s expense.

2. Confidentiality of Proposals

   The District will hold the contents of all proposals in confidence until issuance of the Notice of the Proposed Award; once issued and posted, no proposal will be treated as confidential. However, if a bidder maintains that certain information is proprietary, all proprietary or other legally protected materials must be identified at the time of submitting the proposal to retain the claim of confidentiality. Bidder acknowledges that all materials submitted in response to the IFB, including proprietary materials, are subject to the California Public Records Act.

   The materials may be used by the District to justify the awarding or not awarding of a contract if a protest is filed. The District will not be liable for inadvertently releasing confidential materials although the District will use the best efforts to prevent the release of said materials.

3. Modifications or Withdrawal of Proposals

   Any proposal, which is received by the District before the time and date set for receipt of proposals, may be withdrawn or modified by written request of the bidder. However, in order to be considered, the modified proposals must be received by the time and date set for receipt of proposals in Part II.

   A bidder cannot withdraw or modify a proposal after the due date and time for receipt of proposals and, further, a bid cannot be “timed” to expire on a specific date. For example, a statement similar to “This proposal and the cost estimate are valid for 60 days” is non-responsive to the IFB.
